WHOM WE SERVE

Doctors:

Trusted by doctors for our commitment to quality and patient care, our products are designed to meet the highest standards of efficacy and safety.

Hospitals:

We ensure that our products are readily available in hospitals across India, supporting healthcare providers in delivering the best possible care.

Channel Partners (CFAs & Distributors):

Our robust distribution network ensures that our brands are accessible nationwide. We support our channel partners with the tools and resources they need to succeed.

Marketing Companies:

Looking to manufacture your brand? Consern Pharma offers unparalleled expertise, flexible solutions and a commitment to quality, making us the ideal partner for your manufacturing needs.

Manufacturers:

Consern Pharma offers comprehensive services to manufacturers, including technology transfer, research and formulation development. This ensures a smooth and efficient transition of new formulations from development to full-scale production, utilizing our expertise to bring innovative products to market seamlessly.

Career Seekers:

Join a company that values growth, innovation and teamwork. At Consern Pharma, we offer a dynamic work environment where your contributions lead to real impact, both for the company and your personal career development.

WHY CHOOSE US

Unmatched Product Quality and Stability:

At Consern, product quality is paramount. We ensure that every product maintains its effectiveness and stability throughout its entire shelf life. Our dedicated quality control team rigorously monitors product stability, providing our clients with consistently high performing products they can trust.

Timely Deliveries:

We guarantee that our clients receive their orders on time, eliminating the need for them to carry large inventories. This helps prevent market shortages caused by manufacturing delays. Last year, we delivered **98.7% of our orders on time**, ensuring a reliable supply chain with on-time or even early deliveries.

Real-Time Order Status Updates:

We provide our clients with real-time updates on their order status through automated systems, including WhatsApp, Email notifications, and online dashboards. Our transparent approach ensures clients are always informed and confident in the manufacturing process.

Transparency in Manufacturing:

We believe in building trust through transparency. We invite our clients to visit our manufacturing facility and witness firsthand how their products are made, reinforcing confidence in our processes and standards.

Quick and Efficient Communication:

Clients can easily reach us via Email, Phone, SMS or WhatsApp without the need for constant follow-ups. We pride ourselves on being highly responsive to queries, ensuring seamless communication at all

Client-Centered Growth Focus:

We are committed to helping our clients grow. Through educational support and strategic consultations, we work closely with them to resolve operational challenges and drive business growth.
